

From Eden to Eternity: The Great “C” Sweep of Scripture

Luke 24:26-27

From Genesis to Revelation, God’s Word tells a single story that stretches across centuries. This lesson will take a high-altitude view of Scripture to reveal the shape of that story.

1. How does viewing the Bible as one unified story (Luke 24:27) change the way I read individual passages?
2. Which moments in the “C” timeline reveal God’s patience and faithfulness toward mankind—and why?
3. What does God’s covenant with Abraham teach me about the kind of faith that truly pleases Him? (Gen. 15:6; 22:8; Heb. 11:8–19)
4. What did God confirm in the resurrection? (Acts 5:30–31)

Reflective Question: Where do I presently stand in God’s story, and what is required of me to be gathered into Christ’s church? (Acts 2:38–47)
